

## THE RESOLUTION OF THE CITIZENS REPRESENTATIVES' KHURAL OF BAYANDELGER SOUM

26/09/2003

№01

Bayandelger

### ESTABLISHING NATURE RESERVE

Resolve from the Citizens Representatives' 9<sup>th</sup> Khural (Local Parliament) based on paragraph 1.3 of an article 20 of Land Law, an article 2 of Protected Area Law, 13<sup>th</sup> resolution of the Citizens' Representative Hural of soum on April 03, 2003, initiatives of the Gun-Galuut Community Association and Selena Travel LLC.

**One.** Establish Gun-Galuut Nature Reserve /NR/ locally including basin of River Galuut, Mt. Baits and Berkh, Lakes Ikh Gun and Ayaga, in Galuut Bagh (the smallest administration unit, so called Brigade) for conserving pristine nature, protecting nature resources, setting up pleasant condition the locals live in and developing tourism.

**Two.** Establish boundary of Gun-Galuut NR including following geographical coordinates. Its start point is railroad tunnel at the Derst cavity (E108,13'59"; N47,36'12"), next ones are railway tunnel at north of Lake Ikh Gun (E108,16'16"; N47,38'28"), north wetland of Lake Ayaga (E108,20'15"; N47,39'14"), southwest plateau of Zamiin Davaa (E108,22'55"; N47,38'59"), top of Mt. Ayagiin Khar (E108,23'40"; N47,38'06"), fork of River Ayaga and Kherlen (E108,24'30"; N47,37'08"), embankment Bai at edge of Mt. Berkh (E108,28'01"; N47,25'33"), which follows down River Kherlen, top of Mt. Zaazai (1594.7 m) (E108,23'10"; N47,26'11"), Galuutain Am (1545.4 m) (E 108,21'16"; N47,27'08"), hill of Ulaan Tolgoi (1339.3 m) (E108,20'36" , N47,29'20"), gorge of Baruun Shand (E108,19'06"; N47,32'44"), hill of Unegt (1401.6m) (E108,17'28"; N47,34'58") and the end point meeting with start point is railway tunnel of Derst cavity (E108,13'59"; N47,36'12").

**Three.** Territory of Gun-Galuut NR is allocated to "Core zone", "Tourism zone" and "Limited zone" in order to meeting with requirements and features of nature conservation. Then establish different regimes involved exploitation and protection respectively.

**Four.** Establish "Core zone" of Gun-Galuut NR, including corner of Mt. Baits, home of argali sheep, Ulaan Chuluunii Am, Mushiglaanii Tarkhi, north and south side of khukh Ovoo (Blue Cairn), north and south places of Zuun Shand (East Spring) and wetland Ayaga, which is nesting area and inhabit of nationally and globally threatened birds.

**Five.** Establish “Tourism zone” of Gun-Galuut NR, including surroundings of Lake Ikh Gun and Ayaga, River Kherlen Valley and strip region of surrounding of core zone, for developing ecotourism as keeping pristine nature.

**Six.** Establish “Limited zone” of Gun-Galuut NR, including remained area besides of core zone and tourism zone.

**Seven.** Approve boundaries of the core, tourism and limited zone of Gun-Galuut NR according to appendix1 (map).

**Eight.** Approve regulations must be conformed by people at the Gun-Galuut NR according to appendix 2.

**Nine.** Approve entrance fee from foreign and inner tourists passing over the NR for vacation, travel and sport-hunting, their means of transport and nature recourse exploitation according to appendix 3.

**Ten.** Establish that Selena Travel LLC is responsible for the management, conservation nature and operation in tourism of the Gun-Galuut NR, and set up 20 years for the right to own the NR like purpose of above mentioned. Then the Citizens Representatives’ Khural of soum makes decision constantly about enlongating using term of it with consideration of involved organization’s opinions.

**Eleven.** Regard that Selena Travel LLC performs its activities according to contract created between Selena Travel LLC and Gun-Galuut NR.

**Twelve.** Divide 60 and 40 percent from charges and payment gathered from nature resource exploitation in Gun-Galuut NR for local budget, and NR’s management and conservation respectively.

**Thirteen.**

Follow measures are assigned to the local governor B. Myagmarchimed due to establishing Gun-Galuut NR. For instance:

1. Make contract with organizations operating tourism and nature conservation in Gun-Galuut NR.
2. Implement activities removing some households, limiting local traffic for region conservation regime in accordance with approved regulations to adhere in Gun-Galuut NR.
3. Approve that some necessary wood is prepared from forest area of soum for establishing protective iron grid fence and strip in connection with project implementation of Global Environment Facility /GEF/ in Gun-Galuut NR.
